**PETITIONING THE COURT**

---

To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on January 13, February 3, and June 4, 2021.

The probation officer believes that the offender has violated the following condition of supervision:

| <u>Violation Number</u> | <u>Nature of Noncompliance</u> |
|-------------------------|--------------------------------|
|-------------------------|--------------------------------|

|    |   |
|----|---|
| 10 | <b>Special Condition #3:</b> You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances. |
|----|---|

**Supporting Evidence:** Mr. Woodward is alleged to have violated his conditions of probation by consuming controlled substance methamphetamine on or about July 6, 2021.

Following COVID-19 procedures, Mr. Woodward's conditions were verbally reviewed with him on August 6, 2020. He verbally acknowledged an understanding of his conditions, which includes special condition number 3, as noted above.

On July 6, 2021, Mr. Woodward reported to the probation office as directed to meet with this officer after completing inpatient treatment at James Oldham Treatment Center (JOTC) on July 3, 2021. A random urine sample was collected which tested presumptive positive for methamphetamine. This officer reviewed Mr. Woodward's current list of medications with him and had him initial on the Abbott urine collection form next to the medications he is taking.

**Page 2**

On July 19, 2021, results were received from the above-noted urine sample confirming a positive reading for methamphetamine. Per the Abbott toxicology report, the positive result is not consistent with Mr. Woodward's listed medications.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
